

2010 ~ Great Opportunities Ahead!

RESIDENTS ON A DAY TRIP TO GILCREASE MUSEUM IN TULSA

2010 will be an exciting time at Baptist Village of Cleveland with a multitude of events and life enrichment activities!

Three events will be scheduled indoors, and weather permitting, five will be in our own backyard.

The indoor events begin with a Community Senior Adult Valentine Banquet February 12 at 11:30 am. We honor veterans in November, and our annual Health and Wellness Fair will be in December.

Both our Backyard Concert Series and May's Memorial Day celebration will be outdoors.

The Concert Series will be May through September.

Local churches will be represented in providing music for the concerts.

Come take part in these exciting opportunities!

A Great Team!

Each of our eight Villages enlist twelve individuals from their area to serve on a volunteer support team.

Team members become the eyes and ears of the campus director in local communities and provide much needed help.

We are thankful for each member and

Baptist Village Chaplains

Each year before their annual meeting, the Oklahoma Association of Homes and Services for the Aging (OKAHSA) receives nominations for awards for special individuals.

One of the awards given is for "Volunteer of the Year". Many are nominated, but in most cases, only one is chosen.

This year, two were given this honor - Ron and Linda Wells.

Ron and Linda Wells have served as chaplains at Baptist Village of Cleveland for four years.

They have been volunteering at our campus for more than 10 years by serving as leaders on the team that supports us through planning events ministering to residents, their families and team members.

The Wells are also involved in the community through ministry in their church.

When people speak of the Wells, very seldom do you hear them mention just Ron or Linda, it is always Ron *and* Linda.

They are a team that

has dedicated their lives to serving others.

Their ministry centers around older adults, but I can assure you, people of all ages have experienced unconditional love and have been blessed by Ron and Linda.

They will receive special recognition at the

15th Annual Meeting in Midwest City, Ok. March 11th.

OKAHSA is the Oklahoma state association of not-for-profit organizations dedicated to establishing the highest standards of excellence for services to the aging in Oklahoma.

The membership is comprised of more than 100 providers of aging services, all mission-driven organizations providing services and housing for elders in Oklahoma.

Their purpose is to be supportive of each member organization's quest for excellence.

We are very proud and thankful for the opportunity to congratulate Ron and Linda Wells as "Volunteers of the Year"!

Baptist Village of Cleveland...linking with area churches

Churches that link up with our Village are very much appreciated. They bring members from their church for fellowship with the residents and conduct weekly Bible studies and worship. Some churches also bring their youth and children for a fun game night. Thank you for your ministry to Baptist Village of Cleveland.
