

June-July 2009 Edition

*God bless America, land that I love.
Stand beside Her, and guide Her
Through the night, with a light from above.*

From the desk of James Rosson, Campus Director.....

It is with a mixture of sadness and joy that I write this newsletter, my last at Baptist Village of Ada. As of July 13, I will be transitioning to Baptist Village of Lake Texoma (BFLT), and Tracy Scheer, campus director at Baptist Village of Cleveland, will become your new campus director.

It is hard to believe that six years have already passed since Nancie and I moved to Ada. We have made some great friends and can look back on our ministry here as challenging and fulfilling. We are moving back to BFLT, which is close to home. So we are excited to go, but at the same time, we are sad to leave. But we believe it is God's will for us to go.

We had a wonderful Memorial Day service with Major General Myles Deering as our speaker. It was our first event in our new pavilion. The pavilion is available for use of family get-togethers, or just relaxing in a beautiful setting. First Baptist Church has planned to have their evening service in the pavilion on June 28.

Don't forget that contributions to Baptist Villages are tax-deductible. Nancie and I both believe in the ministry of Baptist Village Communities and give on a regular basis to support the Care Fund and operations of the eight Baptist Villages that minister to more than 2,000 senior adults. We also have Baptist Village Communities in our will, leaving a gift that will keep on giving for years after we are gone. So, I have two questions for you: Would you consider becoming a Presidential Partner (giving at least \$1,000 in a year), and would you consider including Baptist Village Communities in your will or estate plan? We have! We know that however large or small the gift, God will use it mightily for His honor and glory!

With much love,
James Rosson

Sunday School

Trinity Baptist Church lead a Sunday School class every Sunday morning at 9:30 to the residential living dining room.

We encourage and welcome everyone to attend.

If My people, which are called by My name, shall humble themselves, and pray, and seek My face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

Outdoor festivities in our new pavilion have officially begun. Our Memorial Day Service/Program in the new pavilion was a huge success. Major General Myles Deering was the keynote speaker as the crowd sat in the cool, tree-shaded outdoor facility. Approximately 100 people gathered to enjoy the speaker, music, luncheon, and fellowship as we honored our troops.

If you would like to reserve the pavilion for your outdoor entertaining, please call the office. Also, you are welcome to just go sit out in the shade or go for a picnic anytime you want. It's yours to enjoy!
