BAPTIST VILLAGE OF OKMULGEE

Dear Village family,

We are now well into the New Year, and Springtime is just around the corner. Exciting times are coming quickly to Baptist Village Communities.

First, Baptist Village of Broken Arrow will open its latest addition - "The Neighborhoods" in the coming months. The Neighborhoods will be Oklahoma's most unique and innovative place for assistance with living and memory support services. Inside will be four neighborhoods, consisting of 24 assistance with living apartments and 24 memory support apartments. In addition, The Neighborhoods will feature a residential dining room, café and other amenities, including a fitness area, learning center, children's play area and a safe room. The Neighborhoods will be an exciting way to enjoy life.

Second, we have begun work on our "life enrichment" room at the Village here. This will be a great place for residents and their families to enjoy a relaxing visit, play games or watch TV together. This is a project long overdue, and the timing for it is right. A friend of BVC has committed to the construction at no charge. We are currently raising funds for the project, and you can help. If you would like to make a donation of any size or if you know someone that might be interested, please let me know.

Additional projects to enhance lives are being scheduled.

God bless you,
Mike

HANDBELL CHOIR

Great News!

The new handbell choir music is in, and rehearsals will now be starting up again. Current plans are to conduct performances at nutrition centers and churches. Several concerts have already been scheduled.

This is a fantastic way for us to spread the ministry of Baptist Village Communities while having fun, as well. We would like 15 or more residents to take part in the choir. It is not difficult to learn - see you Mondays at 4:00 pm.

VALENTINES PARTIES

On February 11, the OEP Club of Okmulgee will come to the Village with refreshments and valentines at 2:00 pm. We will have our regular Valentine Party that evening at 5:30 pm. This year, I am asking for us to dress up in our finest for a competition and a nice dinner. Cost will be \$5.00 per person. A very nice menu is planned.

DINNER OUT

Each month, our group that goes out to eat with us seems to grow. It is always lots of fun. This month, we're going to Mamadou's Restaurant in Glenpool on February 23. They have the best prime rib you will ever eat. We plan to leave at 4:45 pm. Don't miss it!

BASKETBALL

Do you enjoy watching college basketball? If you do, we're traveling to Oklahoma Baptist University for a game Saturday, February 6. In addition to free admission, we also will receive a free lunch. Groups from other Villages will join us for special seating. We will leave at 11:15 am. Come catch
