

August-September 2018

From the campus director...

Martin Hall

The crisp air of August is signaling to everyone that Autumn is near! The leaves on the trees will burst out in a thousand brilliant hues soon.

That means the Baptist Village Fall Festival is just around the corner! Every year, we gather together as a community to enjoy music, friendship and faith. We want to welcome you and your family to join us! Be sure to mark your calendars for Saturday, September 29. The Fall Festival will be located in the circle drive between the Health Center and Rehab Neighborhoods from 10:00 am to 12:00 pm.

This year, we will have musician Matt Blagg for our entertainment. Matt's music crosses all generations and brings friends and family together in a fun, upbeat way. Not just a singer, this musician blends top-shelf musicianship, playing guitar and trumpet, and poignant songwriting to light up any listener. Matt has played for churches, coffee houses, Nashville theaters and with many well known music groups. He calls his music "Blue-Eyed Soul." Matt's music encourages families to laugh and just have fun.

We will also have horses, classic cars and motorcycle rides from the Faith Riders. And let's not forget free food! Please join us for fun-filled time with friends!

Even though the Fall Festival is not until September, it will be here before we know it! Make sure to check out your life enrichment calendar for all other events coming up at Baptist Village of Oklahoma City.

RESIDENT PROFILE
MILOND AND PHYLLIS CUNNINGHAM
AS TOLD BY MILOND CUNNINGHAM
AND DEANE LANGDON

Phyllis and Milond Cunningham joined our Baptist Village community recently. You may have seen them around the campus. This gifted, friendly, interesting couple have been involved in various activities during their lifetime and since arriving here. They welcome interactions with fellow residents.

On Tuesday, you can find Phyllis playing piano in the life enrichment room, while Milond is attending Men's Bible Study. During their 64 years of marriage they have lived in several states including Illinois, Wisconsin, Nebraska and now Oklahoma. The Cunninghams have three daughters and a son; their oldest daughter lives here in Oklahoma City along with five of their grandchildren.

Milond was born in Milwaukee to a Christian mother and alcoholic father. He accepted Christ as his personal savior in junior high school. Thus began his thirst for learning spiritual truths. While attending college at the University of Wisconsin, Milond was motivated to learn how to share his faith by the deaths of three fellow classmates just days apart. He decided to go to the Moody Bible Institute. This set him on a lifelong path of teaching others about living a life in relationship with God. Milond was guided by Titus 2:13-15 during his adult life. He has been teaching adult Bible Study for 62 years. He worked for 22 years selling Bibles door to door after leaving Moody. He was a regional sales coordinator for the company much of that time. He even wrote a book about his experiences as a bible salesman, titled, "Hey Lady, Ya Wanna Buy A Bible?"

Phyllis was born in Chicago and lived there during her early years. She began taking piano lessons at age six and expanded her gift by taking private lessons through high school and while attending Chicago Musical College, training as a classical pianist. She used her musical talent as an accompanist for churches, soloists, choir groups and congressional singers, adding her own special gift to accompany these singers. Phyllis has been church pianist for every church she has attended. While in high school, she was asked to be the pianist for the live TV program, "Pattern for Living."

Some of us remember singing from the book called "Singspiration", when teenagers gathered at church or in someone's home. Along the way, she began to teach others to develop the finer points of accompanying soloists. Teaching classical piano to gifted students led her to develop and publish a book called, "Right From the Hymnbook – How to Play Hymns and Gospel Songs."

In 1984, Phyllis was diagnosed with multiple sclerosis. Do you think this meant the end of a beautiful career? Knowing Phyllis would assure you that this is not the case. Although in a wheelchair, she continues to play as opportunity presents itself. Being confined to a wheelchair since 2004 means that her faithful husband assists her as needed, and her strong determination keeps her active and growing. A number of years ago, she decided to memorize at least one verse or more from every book of the Bible. She has claimed Habakkuk 3:17-18 as giving her strength: "Though the fig tree does not bud and there are no grapes on the vines, though the olive crop fails and the fields produce no food, though there are no sheep in the pen and no cattle in the stalls, yet I will rejoice in the Lord, I will be joyful in God my Savior." (NIV)

Baptist Village Prayer Time

Every Wednesday in the chapel @ 11 am. This group joins in prayer for needs of residents and their families. If you have a prayer need, please leave a prayer message on Chaplain's prayer line: (405) 470-8915.

What is the "Most Important Thing"?

What would you say is the most important thing in your life? Your grandkids, retirement living, a recent vacation or maybe your relationship to Jesus Christ.

Wednesday, August 1 from 1:30 pm to 4:00 pm

Chaplain Chris Finley will lead teams of ministers who would like to come by and hear and write down your story as to what is the **Most Important Thing** to you. We want to hear about your relationship to Jesus Christ. We want to hear how you came to know Christ as your Lord and Savior. We want to celebrate with you, encourage you, and pray with you and your needs.

Any time you have need to have others praying for you, prayer boxes are located around the building in AL, life enrichment room, health center and rehab.

Join us on **Friday, August 10 @ 3 pm in the life enrichment room** as we celebrate Oklahoma's State Vegetable. Yes, in Oklahoma the watermelon is a "vegetable"! We'll have watermelon games and lots of watermelon!
