Experience an Enhanced Life!

Baptist Village has welcomed new neighbors over the past few weeks. Our more “seasoned” residents are greeting them and making them feel at home. These new residents are discovering the enhanced life that comes with living at Baptist Village. No more having to worry about mowing the lawn, fixing a drippy faucet or paying for appliance repairs. Maintenance issues are taken care of for you.

At Baptist Village, you are surrounded by residents you can enjoy spending time with. You have an array of life enrichment opportunities available.

If you have a friend or acquaintance that is constantly worrying about their home or needs to experience Baptist Village, let them know about us! Tell them to give us a call at (580) 332-6004. Our office would love to give them information about the Village and invite them to our campus! Also, don't forget about our assistance in living neighborhoods!

Let us serve with you today! Baptist Village. Serving God...Serving You...Serving Together!!
